The Project Coordinator
Nupan (PNG) Trading Corporation Ltd
P.O.BOX 2009
Port Moresby N.C.D

Attention: James Kond for Roberts Kirk William

Dear Sir,

SUBJECT: INVITATION TO SIGN UP WITH AITAPE LUMI FMA AND EXTENTION OF SOUTH WEST WAPEI FMA OF SFPA AND IT TENTATIVE VISIT PROGRAMME.

We write basically to officially invite Nupan (PNG) Trading Corporation Limited to develop our forest resource under FMA and Protected Area for commoditizing to Carbon Trade project. All the resource owners of four (4) separate forest concession areas has consolidated their areas together to have more forest volume to commercialize the project for carbon trade business.

The people has been informed of your interest and basic awareness of the project to developed under carbon trade has been telecast through radio programme and needs to phisically see and her from a developer and the Scientist team them self.

They, the resources owners through their respective ILG's are all stand by to sign the concern to transfer the project from logging to carbon trading business.

We are now looking forward to meeting your team and find attach our tentative visit programme for your deliberation in consultation with our project coordinator- Mr. Robert Sai in Port Moresby.

Please consider our project to developer under Nupan (PNG) Trading Corporation Limited and commercialize our forest product and sell our credits. Find herewith is a visit tentative internary programme too for your final in put and budgeting purposes.

For your deliberation and action.

Clement Tumana
PROJECT SCIENTIST
Aitape Lumi Consolidated FAMA & SFPA
