Date: 27th July, 2009

Mr. Roberts Kirk William
Nupan (PNG) Trading Corporation Limited
P.O.BOX 2009
PORT MORESBY
National Capital District
Papua New Guinea

My Dear brother Roberts Kirk William,

SUBJECT: LETTER OF INVITATION TO CARBON TRADE DEVELOPER AND SCIENTIST TEAM TO AITAPE LUMI FMA AND SOUTH WEST WAPEI EXTENSION-SUMOROU FOREST PROTECTED AREA.

Let me, from the outset convey to you my sincere appreciation to your Company for interest to visit to my province (Sandaun) and please accept my invitation and proceed with your visit idenary.

As the Governor and Provincial Member for Sandaun Province, I hereby officially invite you to take further recognizance trip to formularize or obtain more information on the resources data to my province could offer to your company for possible Carbon Trade Business registration and investment.

I admit that my province is blessed with vast land, sea and forest resources but are yet to be fully developed particularly to bring about the needed development in the areas of social, infrastructure, economic and spiritual development. I understand this would be the opportunity for this Carbon Trade Business will help develop my province and build my rural people in terms of wealthiness power by having more cash when Carbon Credits under Voluntary REDD programme is registered and tradable. I am prepare to be the state witness to any MOA/MOU undertaking with all the five (5) consolidated project areas of Aitape East, Aitape West Romei Tadjji, South West Wapei FMA's and South West Wapei Extension of Sumorou Forest Protected area including Yankok group.

While I do support this Voluntary Carbon Trade for this very project under Aitape Lumi Consolidated FMA's in Sandaun province to be one of the added to Pilot project together with Kamalu Doso and April Salome in Western and East Sepik provinces to get of the ground to pave way for proper policy and legislative mechanism to come in force by year 2012 as stipulated by the Kyoto Protocol and Bali convention on Climate change and carbon trade.

In passing, I once again invite you (Mr. Roberts Kirk William) and your scientist team including your company, Nupan (PNG) Trading Corporation Limited to my province and looking forward to meeting you in Sandaun province, Papua New Guinea.

Yours Truly,

HON. SIMON SOLO, MP
Governor
